

# Meet Ms. Gillespie

Hi! I am Molly Gillespie, your child's first grade teacher! I am originally from Jamestown, NC and graduated from Appalachian State University - Go 'Neers! I grew up playing soccer and riding horses. After graduating, I started my career teaching Kindergarten at Windsor Park Elementary. The following year, I moved up to first grade. In 2016, I was lucky to join the Dilworth team and continue teaching first grade. I love teaching at Dilworth! I have an adorable pup, named Sadie. I am so happy to continue my sixth year at Dilworth and start creating amazing memories!
